

MEMBERSHIP RENEWAL AND VALIDATION OF CATERING BADGES

Year 2027

IMPORTANT : KEEP YOUR BADGE

In september 2026, CESFO will carry out its annual membership renewal and complete update of its membership database. This operation, which is essential for your employer to cover the sliding scale rates in restaurants, will result in the issuance of an annual certificate confirming your administrative status. This certificate will serve as proof in the event that you lose your badge.

You will find the terms and conditions of this operation on the reverse side of this sheet.

The Comité d'Entraide Sociale de la Faculté d'Orsay is a non-profit organisation that manages several areas: staff restaurants, childcare at the Centre de Loisirs Éducatifs, and various cultural activities including ticket sales for the cinema, access to the Orsay swimming pool, the Complexe de Bures, etc., as well as activities such as choir, orchestra, art history, visual arts, photography club and rental of the Aubette estate. You can find all the information about these activities on the CESFO website: www.cesfo.fr

To access catering and other activities, you must be an employee of one of the partners that have signed the agreement, including Paris-Saclay University, the French National Centre for Scientific Research (CNRS), the National Institute for Agricultural Research and the Environment (INRAE), the National Institute of Health and Medical Research (INSERM), the Curie Institute including the proton therapy centre, the Institut d'Optique Graduate School (IOGS), the National Institute for Research in Computer Science and Control (INRIA), and Sorbonne University.

It is essential to join the association by paying a membership fee of €10.00, which enables your association and cultural activities to operate.

In order to send you your renewal certificate and keep you informed of CESFO news, we require your email address and your authorisation to use it, in accordance with CNIL regulations.

WARNING!

From Monday 18 January 2027, members who have not updated their membership will be charged the external rate.
